EDITORIAL POLICY

The editors of Educational Leadership, Science, Vocational and Technology Management publish high quality articles on current theories and practice of educational leadership in all levels and types of education.

The Journal accepts two forms of articles for publication. These are:

1. Report of empirical studies:
These should describe new and carefully confirmed findings and details of the research methods should be given so that others can verify the work. The length of a full paper should not exceed 6,000 words (i.e. 15 A4 pages)
2. Reviews or theoretical papers:
Submissions or reviews and perspectives covering topics of current interest on educational leadership, science, vocational and technology management will be accepted for publication. The length of the review (i.e. 15 A4 papers)
3. Paper publish elsewhere or accepted for publication elsewhere are not accepted. Articles are published twice a year with one annual conference and special articles should be submitted through e-mail attachment to managing editor Prof. Kabiru Mohammed Badau, badaubadau@yahoo.com

EDITORIAL

The editorial board of Journal of Educational Leadership, Science, Vocational and Technology Management, publish high quality and well researched manuscripts of international standard. The journal accepts contributions on all levels and types of education with implication for Educational Leadership. The Journal also has zero tolerance for plagiarism.
